

Please support CTLA by purchasing a Memorial Bulb to honor a loved one. The Memorial Tree is located in the Altadena Library parking lot on Santa Rosa Avenue. The Bulb will be placed on the 2024 Memorial Tree that will be lit along with the other trees on Christmas Tree Lane on Saturday, December 7<sup>th</sup>, and will continue to shine nightly throughout the holiday lighting season. If you wish to include a personal message in the CTLA Memorial Book, write a short message on the order form and it will be copied into the book. The funds received from the Memorial Bulbs are used to help us keep the Lane lit. Thank you for supporting CTLA.
